ओउम् भूर्भुवः स्वः
तत् सवितुर्वरेण्यं
भर्गो देवस्य धीमहि
धियो यो नः प्रचोदयात् ॥

**Om Bhur Bhuvah Svah
Tat Saviturvarenyam
Bhargo Devasya Dhimahi
Dhiyo Yo Na Prachodayat**

*Thou O Supreme Lord,
The Source of Existence, Intelligence and Bliss,
The Creator of the Universe!
May we prove worthy of thy choice and acceptance!
May we meet thy glorious grace!
May Thou vouchsafe an unerring guidance to our intellect
and
May we follow thy lead unto righteousness!*

TEN PRINCIPLES OF ARYA SAMAJ

- God is the ultimate source of all true knowledge and of the objects that are known by its means.
- God is existence, intelligence and the Sat-Chit-Anand. He is formless, almighty, just, merciful, unborn, infinite, unchangeable, beginningless, incomparable, the support and Lord of all, all pervading, omniscient, imperishable, immortal, exempt from fear, eternal, holy and the Maker of the Universe. To Him alone worship is due.
- The Vedas are books of true knowledge. It is the paramount duty of all Aryans to read them and to teach them, to hear them, to read and to read them to others.
- We should always be ready to accept truth and renounce untruth.
- All actions should be done in conformity with Dharma after due consideration of right and wrong.
- The primary aim of the Arya Samaj is to do good to all mankind i.e. to promote their physical, spiritual and social welfare.
- We should treat all people with affection and justice and with due regard to their merits.
- We should aim at dispelling ignorance and promoting knowledge.
- No one should remain satisfied with his own welfare. He should regard his welfare as a part and parcel of the welfare of all.
- In matters, which affect the well being of all, a person should give a subordinate place to his personal likings. In matters, which affect him alone, he is to enjoy freedom of action.

INVOCATION

Sarve Bhavantu Sukhinah !
Sarve Santuniramaya !
Sarve Bhadrani Pasyantu !
Ma Kaschit Dukha Bhag Bhavet !

May All Live Happily!
May All Enjoy Good Health!
May All See Auspiciousness!
May None Experience Distress!
May Peace Prevail Everywhere!!

FROM THE DESK OF THE PRINCIPAL, DMCH

Dear Applicant,

It gives me immense pleasure to greet you on behalf of Dayanand Medical College & Hospital (DMCH), Ludhiana.

Over the years, our medical institution has strived to attain excellence in medical and nursing education, teaching and patient care. Presently, our hospital is considered as one of the leading teaching hospitals in the country. We provide the most modern teaching aids for our students. Our lecture theaters are air-cooled and have the facility for routine use of multimedia projection for a comfortable learning environment. In fact, the institution is always endeavoring hard to adopt latest teaching skills and aids to improve the quality of education.

At DMCH, we endeavor to constantly instill strength and character in our students to take up the role of future guardians of health care and be the masters in the art of healing. At the same time, I sincerely hope that you will provide yeoman services in removing human misery and pain. Services to human beings are service unto God.

I wish you all the best for a bright future. God bless you !

Dr. Daljit Singh
Principal
DMCH

FROM THE DESK OF THE PRINCIPAL

COLLEGE OF NURSING, DMCH

Dear Candidates,

I am sure you know that the future of Nursing Profession and health of this nation is in your hands. You are unique children having your own dreams and ways and means to fulfill them. It is my pride and a moral duty to welcome you all in nursing profession which is accepted as one of the most challenging and respectable profession by the people with multidimensional socio-cultural back ground.

The nurses, specially student nurses, are ready to face challenges of the 21st century: multiculturalism, globalization, changing technology, explosions of knowledge and political philosophies too. We have to accept new knowledge, technosavvy skills and newly emerging value system in health care. Of course, human approach and holistic approach will remain and we can not afford to forget it.

Every nursing teacher of college of nursing deserves a pat of appreciation for accepting the challenge of organization and leadership. As Albert Einstein says, "Do not teach your pupils; only provide them an atmosphere in which they can learn". In this institute, through various sessions, we are going to prove our worth. Our students are also cheerful, giggling, dancing and bubbling with enthusiasm and hopes. I am sure that students' energizing ability, intelligent contribution and competitive spirit would bear fruitful results and each one of you shall carry pleasant memories of this college.

Once again, I welcome you in the nursing world. Wish you all the best for a bright future.

DR. (MRS.) JASBIR KAUR
Principal,
College of Nursing, DMCH

INTRODUCTION

DMCH College of Nursing is one of the most modern equipped nursing colleges in Punjab. It is widely recognised as center of excellence in the field of Nursing Education with excellent on job training facilities in North Zone. The College is affiliated to Baba Farid University of Health Sciences, Faridkot, It is recognised by Indian Nursing Council, New Delhi and is approved by Punjab Govt.

College of Nursing occupies 5 acres of prime land with creamy white building on sweeping lawns on Dandi Swami Road, Civil Lines, Ludhiana. Large playgrounds for Badminton with green surroundings are part of the College campus.

The institution has a highly qualified and experienced faculty, many of whom have received national and international recognition for their research and publications. There are frequent visits of guest lecturers from national and international universities, which bring their research and development into classrooms.

The College has well-equipped laboratories of Fundamentals of Nursing, Nutrition, Maternal and Child Health with latest equipment i.e. bandaging simulators, injectable simulator, I/V arms, Baby Manikin and instruments. Laboratories of Anatomy, Physiology, Pathology and Microbiology of Medical College are also used for B.Sc. Nursing Students. College has computer lab with internet facilities.

There is a well-equipped separate library for nursing students with all the modern facilities. The library has 3317 nursing books and 200 nursing journals. In addition, there is main Library in the hospital, which is equipped with a large number of professional books and journals. Nursing candidates can also use the main library.

The College has well ventilated classrooms with modern facilities. To enhance the presentation of academic exercises like lectures, seminars etc., the institute has a good Audio-visual setup with L.C.D. projector, overhead projector, slide projector, TV, D.V.D. player, sound system, models and charts for the use of the faculty and students.

The college possesses good and comfortable accommodation for girls with all the facilities including round-the-clock security, entertainment, boarding and mess. Hostel rooms have attached bathrooms and geysers. Safe drinking water is available for students.

The School of Nursing was started in 1954 with an idea to train Auxiliary Nurse Midwives in 1969, the school was upgraded to 3 years General Nursing Courses. School of Nursing is affiliated to the Punjab Nurses Registration Council, Chandigarh and is recognized by the Indian Nursing Council, New Delhi. It admits 50 students to the General Nursing & Midwifery (GNM) course every year. GNM course has been phased out in 2009 and specialized nursing courses were added.

The College of Nursing came into existence in October 2002. It admits 100 students in B.Sc. Nursing Course and 30 students in Post Basic B.Sc. Nursing course every year. Institution has started Indian Nursing Council recognized Post Basic Diploma programme in Cardio Thoracic Nursing and Critical Care

Nursing with intake of 15 students each in 2009. In addition institute is in process to start Master of Sciences in nursing in future with five speciality.

Dayanand Medical College & Hospital, Ludhiana has a bed strength of 1150 and is equipped with all kinds of modern facilities for providing proper care to the patients and for training the undergraduate and postgraduate students. All the clinical departments, along with the diagnostic laboratories, provide round the clock services at the campus.

Superspecialties such as Neurosurgery, Neurology, Plastic Surgery including micro-vascular surgery, Pediatric Surgery, Urology, Cardiology, Gastroenterology, Nephrology, Kidney Transplant, Oncology, Endocrinology, G.E. Surgery and Transfusion Medicine are also functioning at this campus and are providing the most modern care to the patients. All these departments are managed by fully qualified doctors who have, at their disposal, the latest sophisticated investigative facilities. DMCH possesses all kinds of state of art investigative facilities like Fiberoptic Endoscopes including upper as well as lower GI Scopes, Bronchoscopes, Nasopharyngo-laryngoscope, Colposcope, Hysteroscope and Peritoneoscope, apart from Biochemical Autoanalysers, Blood Gas analyser and auto cell counter, Somatosensory Evoked Response Testing, Whole Body Spiral C.T. Scan, Ultrasonography, Echocardiography, EEG, EMG etc.

DMCH is the only institution in this part of the region, which has intensive care units (ICU) in most of critical care areas. The most notable are Intensive Coronary Care Unit (ICCU), Medical ICU, Surgery ICU, Neurosurgery ICU, Stroke ICU, Burns ICU, Pediatrics & newborn ICU's etc.

Hero DMC Heart Institute (HDHI), with 120 beds, became operative in April, 2001 and has the state of the art investigative and treatment facilities. The Institute as already performed more than 20,000 catheter laboratory procedures and 3,500 O.T. procedures. The hospital has a spet-Ct scan for nuclear medicine & cardiology. It is one of the best cardiac centers in the country.

The institution has well-developed urban and rural field health delivery systems, with residential facilities for training of students and interns under the department of Social & Preventive Medicine. Models for health care delivery and Community Oriented Learning have been developed in these areas in addition to research on community health problems.

Multipurpose Dumra Auditorium has added a new dimension to the curricular and extra curricular activities of the students and staff of the institution.

The institution has come up by dint of hard work and sincere efforts of the management, staff, employees and also the co-operation of the students. The public of Ludhiana and other places have always been kind in extending their helping hand in building up this institution, Above all, Central and State governments and many of the dignitaries deserve gratitude of the management for their co-operation.

B.SC. NURSING COURSE

Bachelor of Science in Nursing Course shall be of four academic years, including compulsory rotatory internship. This is subject to the rules of Baba Farid University of Health Sciences, Faridkot and Indian Nursing Council, New Delhi. This course will start in July /August every year. Each year 100 students are admitted to the college.

ELIGIBILITY FOR PPMET-2009

Eligibility will be as per the Prospectus of Punjab Para Medical Entrance Test – 2009 (PPMET-2009) issued by Baba Farid University of Health Sciences, Faridkot as per Government Notification No. 5/48/2007-3HB3/1982 dated 31/03/2008.

DISTRIBUTION OF SEATS – Total 100 seats

- a) The distribution of seats would be:
 1. Government quota seats 50%
 2. Management quota seats 50% (including Foreign Indian Student (N.R.I) and out of state quota)
- b) The government quota seats would be filled up by the admissions committee appointed by the Government on the basis of merit in PPMET-2009 and onwards, only except, if provided otherwise.
- c) The management quota seats would be filled up by a Central Admission Committee strictly on the basis of merit in the PPMET-2009 and onwards except, if provided otherwise. The candidate for the admission on management quota shall apply to Baba Farid University of Health Sciences, Faridkot also. The Management Quota seats shall be filled up on the basis of PPMET-2009 by the centralized admission committee constituted for this purpose. Government quota seats remaining vacant will be transferred to management quota and vice-versa.

PROCEDURE FOR SELECTION

Procedure for selection for government and Management quota (including NRI seats) will be as per PPMET-2009 prospectus. No admission shall be made after September 30th of each year including left over seats.

RESERVATION

| | | |
|-------|--|-----|
| (i) | Schedule caste | 25% |
| (ii) | Backward classes (Note: the backward class certificate must be as per the latest instructions of the Government of Punjab) mentioning the income as laid down by Govt. of Punjab from time to time. | 5% |

CRITICAL CARE NURSING (1 YEAR)

INTRODUCTION

Indian Nursing Council believes that registered nurses need to be trained in critical care nursing in clinical setting in order to provide competent care to critically ill patients. Expanding roles of nurses and advances in technology necessitates additional training to prepare them for effective participation in critical care.

COURSE DESCRIPTION

The course is designed to prepare registered nurses (GNM & B.Sc. (N) with specialized knowledge, skills and attitude in providing advance quality care to critically ill patients and their families at all the three levels of care.

ADMISSION TERMS AND CONDITIONS

The student seeking admission to this course should:

1. Be a registered nurse (R.N. & R.M.) or equivalent.
2. Possess a minimum of one years experience as a staff nurse.
3. Nurse from other countries must obtain an equivalence certificate from Indian Nursing Council, New Delhi before admission.
4. Be physically fit

NO. OF SEAT: 15

SELECTION CRITERIA:

Procedure for selection will be as per merit list of GNM / B.Sc. Nursing course. Preference will be given to candidates who have passed B.Sc. Nursing (4 years) course.

WAITING LIST

The candidates on the waiting list will be informed regarding the availability of seats, as and when any seat(s) falls vacant.

MEDICAL EXAMINATION

The selected candidates shall be examined in the hospital by a medical board. Medically unfit candidates will not be allowed to join the course. Selected candidates must get themselves vaccinated against Hepatitis – B and produce a certificate of vaccination before joining the course at their own cost.

DISTRIBUTION OF THE COURSE

| | | |
|----|--------------------------------------|------------------------|
| 1. | Teaching: Theory & Clinical practice | 42 weeks |
| 2. | Internship | 4 weeks |
| 3. | Examination (Including preparation) | 2 weeks |
| 4. | Vacation | 2 weeks |
| 5. | Public holidays | <u>2 weeks</u> |
| | | <u>52 weeks</u> |

GENERAL OBJECTIVES

At the end of the course the student will be able to develop an understanding a philosophy, Principles, methods and issues, management, education and research in critical care nursing. Further more, this course will enable them to develop skills and attitude in providing competent critical care nursing.

COURSE OF STUDIES
